

**PURPOSE:** The purpose of the "Training Today Newsletter" is to provide assistance and support for TPAES users submitting PAE applications. We also use this notification to communicate upcoming LTSS initiatives and to describe how those may affect your daily practices. Please forward to staff in your company that complete or submit TennCare (Medicaid) PAEs/PASRRs. This contains vital information for all TPAES users.

## MOPD Tips

This means that **ALL** other payer sources have ceased paying including Medicare, private insurance and private payer.
